This exhibition presents the drawings of Auschwitz made by an unknown prisoner of the concentration camp and focuses on the legacy of the survivors to young people: “What will remain of our memories, our descriptions, our efforts?” the survivors of the concentration camps ask themselves. “We had the opportunity to talk with the witnesses of the times”, say the trainees from Volkswagen and their Polish colleagues following talks with survivors. And they are fully aware of their task: “Today, it is our responsibility now.”

Statements: H.E. Mr. Peter Wittig, Permanent Representative of Germany to the United Nations
Roman Kent, Auschwitz survivor, New York
Ilona Hefft, trainee, Volkswagen Coaching, Emden/Wolfsburg
